BRIDGE WORK ON INTERSTATE 10 WIDENING PROJECT WILL REQUIRE LANE CLOSURE ON ORANGE STREET IN REDLANDS BEGINNING JANUARY 18

The widening of Interstate 10 through Redlands will require reconstruction of the Orange Street freeway bridge. This bridge widening will require Orange Street to be reduced to one lane in each direction, January 18-20 and January 23, from 6:30 a.m. to 3:30 p.m.

During the closure, crews will excavate footings on Orange Street to place columns for bridge widening.

Please drive cautiously through the construction areas and follow all posted signage. For more project information, call the Interstate 10 helpline at (909) 889-8611 ext 102 or visit the SANBAG website at www.sanbag.ca.gov.

SANBAG appreciates your patience during this freeway widening project.
